1. [planes with swept back wings regularly from Spilve Airfield at about one and of the procedure continued on a 24 hour basis, except	ot on the evening
	when the weather wearchlights illuminated the field at night.	was hazy. Two large bluish 25X1
2.	The planes took off in relays in groups of seven, climbing at an angle of 40°. Two planes took off almost simultaneously, probably from parallel runways, and a single plane took off last. Two or three groups took off every one and one-half hours. The planes flew well in formation and were apparently flown by experienced pilots.	
3.	There were no naval vessels in Riga harbor the night, a small motorboat with lights extinguland Andrejosta quay, where merchant ships were bewere ten five-ton cranes moving on frames and sparailroad tracks of normal width.	erthed. On the quay, there
